

SPONSORSHIP OPPORTUNITIES

EVENT DESCRIPTION:

Columbus Connects' Leadership Lecture Series is a program offered by Christopher Columbus High School and its alumni association to provide CCHS alumni with opportunities to learn about professional and timely topics of interest by industry and community leaders, while providing occasions to network and socialize. Lectures will be presented by prominent members of the Columbus community. The topics will vary in order to attract a wide segment of the alumni base. The events are expected to attract a large group of alumni (150 +) per event.
