Important Information for all Senior Parents - 2011

Each year, our Principal Br. Brady, the Administration, senior guidance counselors and senior teachers hold a meeting with the senior parents. This is an overview of what is expected of the seniors and what will be happening throughout the whole school year.

You will learn about many important dates, academic concerns, graduation requirements, college and futures and dual enrollment.

This very informative important meeting will take place on **Tuesday, August 31st at 6:30 pm** in the school cafeteria. If you have attended a senior meeting before, please don't take it for granted that it will be the same meeting. Each year, there is new and different information from the different colleges and universities. It definitely is in your best interest to make every effort to attend. **You will also receive detailed information about graduation tickets and the procedure for waiting list tickets.**

Because of the very large senior class this year, our 2011 graduation will be moving from the Gusman Center to the Adrienne Arsht Center for the Performing Arts which is **slightly** larger than Gusman.
