

TO: Freshmen Football Parents

FROM: Coach Moritz

DATE: June 24, 2008

SUBJECT: EQUIPMENT

This memo is to outline your son's equipment needs for football here at Columbus. Columbus provides helmets and shoulder pads to all players at no cost. In addition, each player must purchase **from Columbus** the following:

- Practice Jersey & Mouth Piece (\$25.00)

In order to complete the **basic equipment** process each player must either purchase **from Columbus or from another vendor (i.e. Sports Authority)** the following:

- White Practice Pants, Girdle & Belt (\$25.00 if purchased from Columbus)
- Hip, Thigh, Tail, & Knee Pads (\$50.00 if purchased from Columbus)

If you choose to purchase all **basic equipment** through Columbus the total would be \$100.00.

Additionally, we contract with an outside vendor for **required auxiliary equipment**. The required auxiliary equipment package is \$145.00 which includes a pair of Adidas cleats that meets the requirements of our shoe contract which requires Adidas cleats for wear during games. Other brands of cleats are acceptable for practice, but **Adidas cleats must be worn for games**.

Next week I will post for you online the **Football Equipment Order Form** which you will need to fill out with your son and submit with a check. If you have any questions please contact me at [jmoritz@columbushs.com](mailto:jmoritz@columbushs.com)

Thank you,  
Coach Moritz
